Bald Eagle Bed and Breakfast

Bangor, MN 04401

Dear Mrs. Hawke,

I understand that you are the manager of the Bald Eagle Bed & Breakfast. I am designing a trip for my 6th grade geography class project. We are assigned to visit three national parks and find accommodations at each. According to the Internet, your bed-and-breakfast is within a few miles of Acadia National Park. For my class project, I thought that I would like to stay at the Bald Eagle Bed & Breakfast. By the way, I thought your Internet website was very informative.

Could you please send me brochures showing your bed-and-breakfast and include room rates? Also, could you send me any information about Acadia National Park that you may have? Thank you very much. My address is 14321 Debbs Lane, Chesapeake, Virginia 23320.

Sincerely,

Brian Pole
